

Year 2 Curriculum Home Learning | Summer Term | W.C. 20th April

W.C. 20th April 2020

We hope you have had a wonderful Easter break with your families! Remember to login and continue to use Purple Mash, Oxford Reading Buddy and Times table Rockstars to complement your learning.

Science

For this week we are going to re-cap on our 'Apprentice Gardener' unit from last term. At the start of our unit we created a mind map of everything that we knew about plants, it would be great if you could now create a new mind map with everything you NOW know about gardening and plants! We're sure that your brains are FULL of new knowledge! Think about what plants need to grow, the different parts of a plant and the difference between germinating seeds and planting seeds in soil!

It would also be lovely if as a family you could grow your own plants; you could teach your family the best way to grow a plant. You could start with the pip of an apple! ☺

Topic - Geography

Our new topic for Geography is 'Our Wonderful World'

To start this unit we would like you to listen to 'What a wonderful World' by Louis Armstrong - <https://www.youtube.com/watch?v=A3yCcXgbKrE>
How many things in the song do you hear that make up our world? What adjectives are used to describe these things?

In our wonderful world, there are some very special landmarks. They are called the 'Seven Wonders', have you heard of these before?

Why don't you take a virtual tour of each of the seven wonders through this link - <https://www.skyscanner.co.in/news/explore-the-seven-wonders-of-the-world-virtually>

Can you find out where each of the seven wonders are located in the world? Are the wonders natural or manmade?

This week, we would like you to choose one of the seven wonders and create a fact file that gives the reader lots of new information!

PSHE

Our recent unit in PSHE has been 'Healthy Me'. This week we would like you to research what it means to lead a 'healthy lifestyle' This will also help you out in our next Science unit that we will be starting next week!

BBC Bitesize are also delivering an online lesson on how to manage your emotions:

<https://www.bbc.co.uk/bitesize/articles/zmmgrj6>

BBC- Bitesize

Access regular daily lessons in English, Maths and other core subjects. There is a timetable of the daily short lessons.

<https://www.bbc.co.uk/bitesize/tags/z7s22sg/y ear-2-lessons/1>

R.E.

On our St. Anne's website you will find the Wednesday Word for this week. As well as this we are now entering our Easter Unit. We would like you to watch the following video about the Easter Story <https://www.youtube.com/watch?v=cZ4gQniUVO8> and read the scripture passage from the Bible <https://www.biblegateway.com/passage/?search=Luke+24%3A1-12&version=NIV> Your task is now to imagine you were there with Mary Magdalene at the tomb. What questions would you have asked about what was happening? Write them using the sentence opener I wonder...

My question would be "I wonder how Mary Magdalene felt when she saw the stone had been rolled away?"

P.E.

Don't forget to keep active and move regularly throughout the day. Use your dedicated exercise time to go for walks with your family, a bike ride or one of these activities:

- Real PE

Art and Design

Our new topic for art and design is 'Human Form'.

We will be exploring how bodies and faces are shown in art.

For the first lesson we would like you to create a self-portrait. This means to draw a picture of YOU!

We would like you to just draw up from your shoulders - see the example next to this box. You could even take a photograph of yourself and then trace over it on blank paper if you do not feel confident drawing it completely by yourself!

Once you have drawn your self-portrait, google the artist Julian Opie and have a go at drawing a self-portrait like him.

Self-portrait

Portrait drawn by artist Julian Obie
