Activity 3 Michael Collins

|

1. Why did Michael Collins call many places home in the first seventeen years of his life?
Michael Collins called many different places home in the first seventeen years of this life because his father was in the army and they had to travel a lot.
2. Why did Michael Collins remain onboard Apollo 11?
Michael Collins remained onboard Apollo 11 because he was the pilot.

3. 'In 1969, world history was made.' What does this mean?
In 1969, world history was made because two people stepped on the moon for the first time ever.
4. Find and copy one word which means travel around.
orbited
5. Why do you think astronauts train underwater?
Astronauts train underwater because the conditions are similar to those in space.
6. Why do you think he is often known as the forgotten astronaut?
Answers may vary. He is often known as the forgotten astronaut because he did not step on the moon. People may think he did not play as much of an important role during the mission, as the other two astronauts.

Thursday

Activity 1 Types of sentences

1. Draw a line to match the sentences to the sentence type.

2. Choose one animal from the pictures and write a statement sentence about it.

Pupils' own responses that are statements which tell us something about the animal and end in a full stop.

3. Change these sentences from statements to questions. One has been one for you.

Statement: Pandas can only eat bamboo.

Question: **Can pandas only eat bamboo?**

Statement: It is summer in Australia.

Question: **Is it summer in Australia?**

Statement: Greedy dogs will eat lots of food.

Question: **Will greedy dogs eat lots of food?**

Statement: She could win the game.

Question: **Could she win the game?**

4. Now change these statements into questions.

Statement: Giraffes have long necks.

Question: **Do giraffes have long necks?**

Statement: Fred likes to play tennis.

Question: **Does Fred like to play tennis?**

Statement: Rashmi went to her dad's house.

Question: **Did Rashmi go to her dad's house?**

5. Use one of these question words to complete the question sentences.

Why is the grass green?

Where have all the apples gone?

When is it lunchtime?

What time is it now?

Who has left the pencils in a mess?

6. This recipe isn't finished! Can you choose the correct imperative (bossy) verb to complete the command sentences?

First, **turn** the oven on to 180 degrees. Next, put the butter and sugar into a bowl and **blend** them together with a fork. Now, **break** the eggs and **add** them to the mixture. **Sift** the flour to remove lumps, then **stir** everything together. Finally, **spoon** the mixture into cake cases and **bake** in the oven for twenty minutes.

Extra challenge

Write 'what' or 'how' to complete these exclamation sentences.

What big teeth you have!

How wonderful this drawing is!

How hard you have worked today!

What a friendly cat!

Look at this picture and write two exclamation sentences (don't forget the exclamation mark!)

Pupils' own responses that are exclamations starting with 'how' or 'what' and ending in an exclamation mark, such as: What a beautiful rainbow! How cute that lamb is!

Can you write a statement, command, question and exclamation for this picture?

Pupils' own responses, such as:

Statement: The snowman is wearing a hat and scarf.

Command: Put your gloves on before you touch the snow!

Question: What is the girl who is standing up thinking about?

Exclamation: How cold it is today!

Friday

Activity 1

Solar System Fact Hunt Answers

Use books, the Internet or the Solar System Fact Cards to find the answers to the following questions.

Which planet orbits closest to the Sun? <u>Mercury</u>	Which planet has the highest maximum temperature? <u>Venus</u>
Which planet's atmosphere contains the highest percentage of carbon dioxide? <u>Venus</u>	How much bigger is Earth than Mars? <u>5951km</u>
Which planet has the shortest day? <u>Jupiter</u>	Which planets are made of gas? <u>Jupiter, Saturn, Neptune, Uranus</u>
