Using brackets

Where do I put the brackets?

Which sentence has the brackets in the right place?

- a) Some people (don't like the rain) especially in England but I do.
- b) Some people don't like the rain (especially in England but I do.)
- c) Some people don't like the rain (especially in England) but I do.

Sentence 'c' has the brackets around the parenthesis (the extra bit of information). The sentence still makes sense without this piece of information.
