### Reflection

#### *An entry from a college student's journal:*

"If I had only a short time to live, I would immediately contact all the people I had ever really loved. I would make sure that they knew I really loved them.

Then I would play all the records that meant the most to me, and I would sing all my favourite songs. And oh, I would dance. I would dance all night.

I would look at the blue skies and feel the warm sunshine. I would tell the moon and the stars how lovely and beautiful they are.

I would say goodbye to all the little things I own: my clothes, my books, my 'stuff'. Then I would thank God for the great gift of life and die in his arms."
