Reflection

To do the work of Christ is not a complicated thing. It is really quite simple.

It means to be faithful in little things, for to be faithful in little things is a big thing.

It's means to do one's task, no matter how humble it may be, not only thoroughly but joyfully.

It means to make oneself available, yet never to seek the limelight.

It's means to make oneself useful, without seeking to push oneself.

It's means to strive to remain calm amid the hustle and bustle of life.

It's means to carry one's own burden, without, as far as possible, becoming a burden on others.

In a word it means to be at one's post, helpful and faithful, loyal and constant.
