peach	toilet	spade	five	phone	tube
tea	oil	plane	kite	throne	cube

Tuesday 5th May

Dear Year 1

I am writing to tell you that I have been missing you all **so,so** much! Although I'm staying at home I am still very busy doing my school work (yes I have home learning too!) my children are keeping me very busy! We've been playing lots of board games, like snakes and ladders and doing puzzles. We've also been baking yummy jam tarts and chocolate chip muffins. Today we're celebrating **Pyjamarama** Day and having lots of fun reading our favourite stories in our pyjamas. We have been tuning into You Tube each day for Blake's daily phonics sessions and we've also been keeping fit doing the Joe Wicks morning workout. The nice weather has also meant that we can spend lots of time in the garden and we have been for a walk together every day. I've also been spending time planning some lovely activities for you to do. Thank you to everyone for having ago at them. You are making me so proud!

I've been feeling a bit lonely at times, but all of your work has been helping me to feel very cheerful. You've all been in my thoughts and heart everyday. I can't wait to have us all together again soon. Here are some questions I can't wait to ask you. What fun things have you been up to? What have you missed most about school?

I look forward to seeing you all soon. Take care and keep safe.

Love from

Mrs Bathurst

Wednesday 5th May

Examples of what your handwriting should look like are on the sheet.

Thursday 6th May

Example

My best friend is my twin sister Miss Holyland. Here are my five favourite things about them.

1. She knows when I feel sad and cheers me up. She has the best advice.
2. She always makes time to spend time with me and my family, even when she's busy (although at the moment we can only speak on the phone!).
3. She is a fabulous Auntie to my children and takes them to wonderful places.
4. She always offers to help me when I'm stuck with a problem.
5. She is like my mirror shining back at me.
