

Home Learning - Year 5

Summer Term Week 3 : 04.05.2020

Hello to all our families- We hope you are continuing to stay safe and happy with your families. We are missing you all and we thank you so much for engaging with school as generously as you are. We hope you enjoyed the video from the staff this week - if you haven't seen it yet please visit the St Anne's school website.

To help with home learning we will continue to provide a theme for the week (see below) with a list of suggested activities for you to **choose** from which incorporate many areas of the wider curriculum. It may well be that you have different ideas instead which will be greatly welcomed.

Please choose activities that most engage your child/ children and yourselves! Should you wish to share any of your activities you are more than welcome to take a photograph and send it to our Twitter account. @StAnnesCP Just a reminder that we do not expect any families to print off worksheets/ resources. Work with what you have at home and most importantly stay safe.

RE- Wednesday Word (available in RE tab in home learning)

Enjoy a quiet moment reading the Gospel and praying to God.

Praying Together At 9am every morning we all join with our families in saying the Morning Offering:

Oh my God I give to you,

All that I think and say and do.

All my work and happy play

I offer to you my God today.

Amen.

By doing this, although we can't be together physically, we will be together as a school family in prayer.
