

ST. ANNE'S CATHOLIC PRIMARY

Year Group: **Nursery**

Week Beginning: **8th June 2020**

Please find some suggested fun learning activities to do with your family this week. We appreciate and are fully aware that families can only do their best with the technology and resources they have available. 🐦 Please follow our Twitter page and if you would like to share work with us, please include our twitter link @StAnnesCP in your tweet. The main way to share your child's work and activities is through the year group email: s83nursery@st-annes.solihull.sch.uk If you have any queries about other matters, please continue to use Parent Mail: parentmail@st-annes.solihull.sch.uk

Religious Education

RE-Wednesday Word (available on school website: parents/home learning/Catholic Life including Wednesday Word) Enjoy a quiet moment reading the Gospel and praying to God.

RE Unit of Work-Pentecost-The Air Around Us

Remind your child that Pentecost is a special celebration when God sent his Holy Spirit. Hold a simple prayer service using a red symbol as a focus. In prayer ask for help from the Holy Spirit to help us to be good. God sent us his Holy Spirit to be a special helper. Although we can't see the Spirit he is a gift in us, helping us to be patient, helpful and peacemakers. Say "Holy Spirit be with us, help us to be kind. Holy Spirit be with us, help us to be patient. Holy Spirit be with us, help us to be peacemakers. Amen"

Communication & Language

Speaking and listening underpins all of these activities. Make time to talk, have conversations and ask questions about daily life, activities, stories, games and movies etc.

Hello, we hope you are continuing to stay safe, happy and well. We thank you so much for engaging with school as generously as you are. We hope you enjoyed some of the activities linked to last week's theme 'Healthy Me'. Inspired by the NASA and Space X launch of astronauts to space this week's theme is:

Space

Daily Prayer

Praying Together

It would be lovely if at 9am every morning we all join with our families in saying the Morning Offering:

*Oh my God I give to you,
All that I think and say and do.
All my work and happy play
I offer to you my God today.
Amen.*

By doing this, although we can't be together physically, we will be together as a school family in prayer.

Physical Development

Astronauts have to be fit and agile for their missions to space. Design an obstacle course in your garden or home space and put your agility to the test! Can you feel your heartbeat before and after exercising? What is the difference?
