RE-Wednesday Word (available on school website: parents/home learning/ Catholic Life including Wednesday Word) Enjoy a quiet moment reading the Gospel and praying to God.

RE Unit of Work-God's Family

Explain to your child that a priest has a special job to gather us together at Church as God's family. He looks after God's family at Church. He celebrates Mass every day and carries out Sacraments e.g. weddings and Baptisms. At St. Anne's Church our parish Priest is Father Christopher Fitzpatrick. Who is your parish Priest? Look at a picture of Pope Francis. Pope Francis is the leader of the Catholic Church. Children to say a thank you prayer to all of the People Who Help Us in our community.

Speaking and listening underpins all of these activities. Make time to talk, have conversations and ask questions about daily life, activities, stories, games and movies etc.

Hello to all our families. We are missing you all and we thank you so much for engaging with school as generously as you are. We hope you enjoyed some of the activities linked to the 'Our World' theme – and what a wonderful world it is with some very wonderful and Significant People too!

Praying Together

It would be lovely if at 9am every morning we all join with our families in saying the Morning Offering:

Oh my God I give to you,

All that I think and say and do.

All my work and happy play

I offer to you my God today.

Amen.

By doing this, although we can't be together Physically, we will be together as a school family in prayer.

A collage of various people in different uniforms and roles, including firefighters, police, doctors, and construction workers, surrounding the text "People who help us". The characters are colorful and cartoonish, representing different professions that assist the community.

Discuss the different professions of family members and friends. Talk about the key workers in our community and how they are helping us. Think about ways we could say thank you to them e.g. make a card, draw a picture etc. Remember to clap for key workers every Thursday to show them that we are grateful for their help.

All of the people who help us had dreams and goals when they were growing up. Think about what you would like to be when you grow up...

Draw a picture of what you want to be when you grow up.
