

ST. ANNE'S CATHOLIC PRIMARY

Year Group: **Nursery**

Week Beginning: **13th July 2020**

Please find some suggested fun learning activities to do with your family this week. We appreciate and are fully aware that families can only do their best with the technology and resources they have available. 🐦 Please follow our Twitter page and if you would like to share work with us, please include our twitter link @StAnnesCP in your tweet. The main way to share your child's work and activities is through the year group email: s83nursery@st-annes.solihull.sch.uk If you have any queries about other matters, please continue to use Parent Mail: parentmail@st-annes.solihull.sch.uk

Thank you for all of your wonderful and continued support with home learning. The theme for this week is:

Transition

Our Year Group Message

You are a very special child
And we want you to know
Although our year was cut short
We are so proud of how you did grow.

We've loved being your teachers
And we have missed your smiling face
But the memories we have of this year
Will never be erased.

Please come back to visit us
As through the St. Anne's years you go
Try hard to learn all that you can
There is so much for you to know!

What we've tried to teach you
To last your whole life through
Is to know that you are special
Just because you are YOU!

Mrs Handley, Mrs Ballard, Miss Elliott,
Mrs Boulton, Miss Baker, Miss Woolley
xxxxxx

Religious Education

RE-Wednesday Word (available on school website: parents/home learning/ Catholic Life including Wednesday Word) Enjoy a quiet moment reading the Gospel and praying to God.

Light a candle at home with your family. Take a moment to listen to some reflective, calming music. Think back to a time when you were sad, scared, lonely or afraid. Close your eyes or look into the candle flame. Think about who you go to when you have a worry? Who listens to you and supports you? Watch the video 'Footprints':

<http://www.youtube.com/watch?v=Qw4ogDeWTvo> God is always with us in our time of need and we can always turn to Him in times of worry, change, growth, sadness as well as all of our happy times. God loves us more than we could ever imagine.

Physical Development

Personal Best celebration week!

During the week, we would like you to revisit the five Virtual School Games challenges, inviting pupils to have a go at the ten challenges and setting a personal best!

Please see challenges and resources on page three for video links with a full tutorial of each challenge. We do not require you to submit any results, this is for you to enjoy and challenge yourself!

We would love for you to share photos of you taking part via the year group email or on Twitter ☺

Personal Social & Emotional

On a daily walk or outing ask your child to look for a stick to make a journey stick. Collect objects or draw pictures of things that interest them. Attach these in order using tape, string, cling film. Your child may wish to add words or symbols to their stick too.

Go on a gratefulness scavenger hunt and find:

1. Something that makes you happy
2. Something to give to someone else that'll make them smile.
3. Something you love the smell of
4. Something that's your favourite colour
5. Something that is pretty to look at.

Literacy

Story Time-Watch the uploaded videos of the Nursery staff and other staff members reading to you. This will be updated weekly with new stories so please do enjoy ☺ Here is the link:

https://www.youtube.com/playlist?list=PLBI_XHJy9tKI_gnGSim1n77fUmDsPMi5s

Create an 'I can poster' all about themselves.

Read or listen to the story 'Giraffes Can't Dance' on website:

<https://www.youtube.com/watch?v=vZjsLK5vwNU> Talk about how Gerald the giraffe showed determination when trying to achieve his goals. Ask your child what they are looking forward to most about their new class, what they would like to get better at and what they would like to learn about.

Mini Mash

Suggested activities from these pins:

- Feelings
- Seasons
- Seaside
- Under the Sea

Maths

Explore and play a range of Early years Maths games on websites:

<https://www.topmarks.co.uk/Search.aspx?Subject=37>

Use Mini Mash-Number Section:
Play a variety of maths activities including Maths City, Measuring, 2 Count and Number Paint Projects.

Understanding the World

Make a memory book using photographs, drawings or collage of all the things you have been busy doing during Lockdown.

Make a memory poster and draw and label your top three memories of the year.

Create a history timeline, think about the different things your child has experienced during their life. Use the timeline to show key events and milestones. Baby picture, first tooth, first steps, first day at nursery, birthdays, Christmas, family celebrations.

A new year is also a great time to make new friends. Create a poster that illustrates top tips for making friends and showing kindness?

Expressive Art and Design

Talk about the things that your child has achieved in school and out of school that make you proud. Work together to design and create an achievement medal. Do this by cutting a piece of cardboard into a circle or star shape, painting it gold or sticking shiny paper to it. Write the number one on the medal and add string or ribbon. Why not have a ceremony and present the medal to your child?

Over the last year, your child will have created many memories that they will cherish forever. Capture these memories in a fun way by asking your child to create a 'Memory Jar'. Using coloured paper ask your child to draw or write down their favourite memories. They can use different colours to show different categories of memory e.g. blue for friendship, yellow for teachers, red for favourite lessons. Use a jam jar or a plastic bottle to collect their memories; they could even personalise their jar with decoration. Alternatively capture these memories in a fun way by asking your child to create a drawing or painting.

Personal Best celebration week!
