

ST. ANNE'S CATHOLIC PRIMARY

Year Group: **Nursery**

Week Beginning: **15th June 2020**

Please find some suggested fun learning activities to do with your family this week. We appreciate and are fully aware that families can only do their best with the technology and resources they have available. 🐦 Please follow our Twitter page and if you would like to share work with us, please include our twitter link @StAnnesCP in your tweet. The main way to share your child's work and activities is through the year group email: s83nursery@st-annes.solihull.sch.uk If you have any queries about other matters, please continue to use Parent Mail: parentmail@st-annes.solihull.sch.uk

Religious Education

Look at and learn some of our school's mission with your child. Look at vocabulary 'unique' and 'special' discuss what this means. What can we do to care and share in our daily lives?

RE-Wednesday Word

(available on school website: parents/home learning/ Catholic Life including Wednesday Word) Enjoy a quiet moment reading the Gospel and praying to God.

Communication & Language

Speaking and listening underpins all of these activities. Make time to talk, have conversations and ask questions about daily life, activities, stories, games and movies etc.

Hello, we hope you are continuing to stay safe, happy and well. As you will all be aware there has been a great deal of unrest globally over the last few weeks linked to the sad death of George Floyd. Therefore, our theme for this week is linked to our school mission and will open up the opportunity to discuss equality with the children. This week's theme is:

Unique and Special

Daily Prayer

Praying Together

It would be lovely if at 9am every morning we all join with our families in saying the Morning Offering:

***Oh my God I give to you,
All that I think and say and do.
All my work and happy play
I offer to you my God today.
Amen.***

By doing this, although we can't be together physically, we will be together as a school family in prayer.

Names are an important aspect of identity. Make some name art to hang on your bedroom door. On paper/card write your name in large letters and use glitter, rainbow, texture etc. to decorate.

Make an 'All About Me Flag'. Cut a flag shape template and add a stick to be able to wave the flag. Write and draw information about yourself e.g. My name, my age, my home, my family, my birthday etc. Next label and draw pictures of your favourite foods, animals, toys etc.

Mini Mash

Suggested activities from these pins:

- All About Me
- Growing
- Numbers and Counting

Maths

On Mini Mash or on paper make a pictogram to show your families hair colour or eye colour. Telephone other family members to ask them about their hair colour or eye colour. How many people have blonde hair? How many people have blue eyes? etc.

Understanding the World

Watch and listen to the story 'The Skin You Live In' read by Author Michael Tyler. A book about skin colour.

Share and read ebook 'We Are All Different' on Twinkl website:
<https://www.twinkl.co.uk/resource/tf-or-7-we-are-all-different-ebook>

Take some time to observe and look at yourself closely in the mirror. What do you notice about yourself? What colour are your eyes? Have you got curly hair? Have you got freckles etc?

Play a spot the difference game, explain to the children that differences can be things that change over time. You might say, 'We do not stay exactly the same forever. For example, you had no teeth when you were a baby and now you have teeth. When I was young I had blonde hair and now it is brown.' Look at two photographs of yourself and your child, one as a baby or toddler and a current photograph of yourselves, compare them with how you look now. Discuss and write down how you have changed over time.

Expressive Art and Design

Make an 'I Am Special Mirror'. Fold a piece of paper or card in half and draw a mirror template and cut around. Add foil to the front of the mirror, decorate with glitter, sequins, buttons, shapes etc. Inside the card write a list of all the things that make you special and unique I have curly hair. I wear glasses etc. Make a list of your positive qualities and attributes e.g. I am good at... I am a good friend when... etc.

There are many ways that we are like other people, there are also many ways in which each of us is different. Seeing pictures of your self makes you feel special. Make a self-portrait, you could paint, draw or use photography. Where will you hang your self-portrait for your family to see?

Listen to Bruno Mars 'You're Amazing Just the Way You Are' – think about that. We are all created by God and we are amazing! Don't let anyone tell you otherwise.

Listen to a variety of free songs including 'This Is Me' and 'As One' from 'Out of the Ark' music at home on website: <https://www.outoftheark.co.uk/ootam-at-home/>

For more information on this and other upcoming CSW virtual competitions go to the Think Active webpage www.thinkactive.org/cvp/school-games-virtual-challenge/

Challenge 1 – Around the Body

Equipment –

- A ball (size 3 or bigger) - or alternatively, use a toilet roll.
- A small area of space where you'll stand.

Video Support Link - <https://youtu.be/ZyKB1wESboA>

KS1 Yr. 1&2

- Collect your ball and find a place to stand.
- Standing with your legs together, move the object around your knees and then your waist. Keep repeating this pattern for the full 60 seconds (knees, waist, knees, waist etc.).
- 1 circuit = moving the object around your knees AND waist. Every circuit completed scores 1 point. SEE VIDEO FOR GUIDANCE.

KS2 Yr. 3/4/5&6

- Collect your ball and find a place to stand.
- Standing with your legs shoulder width apart and knees slightly bent, move the object around each knee (one at a time in a figure of 8). Keep repeating this pattern for the full 60 seconds.
- 1 circuit = a full figure of 8. Every circuit completed scores 1 point. SEE VIDEO FOR GUIDANCE.

Recording your score -

You have 60 seconds to complete as many circuits as possible. Set up a timer for 60 seconds or ask someone to time you. During the 60 seconds count how many times you complete a circuit.

Recording your score -

Shoot & score from Marker 1 = 2 points. Shoot & score from Marker 2 = 3 points. You have 60 seconds to score as many points as possible. Set up a timer for 60 seconds or ask someone to time you. During the 60 seconds keep count of how many points you score.

Challenge 2 – Shoot Out

Equipment –

- 3 items to throw - 3 balls or 3 toilet rolls.
- 2 markers/cones (to create your shooting lines).
- A tape measure or ruler to measure the correct distance.
- A chair, table or bench - to give your target some height!
- A target - a laundry basket, bin or bucket.

Video Support Link - <https://youtu.be/ZyKB1wESboA>

- Place your target on top of the chair/table/bench.
- Place Marker 1 - 2 metres away from your target, and place Marker 2 - 3 metres away from your target.
- Place your 3 balls or 3 toilet rolls onto one of the markers (you will take your first shots from here).
- Pick up the balls one at a time and shoot at the target. Retrieve your own balls. Shoot again from either marker (you choose). Keep repeating this until your 60 seconds is up.

TOP TIP

Stand with feet shoulder width apart. Focus your eyes on the target and line up your shooting elbow with the target. Follow through leaving your hand extended and pointing towards the target.
