

Home Learning - Year 3

Summer Term Week 4: 11.05.2020

Hello to all our families- We hope you are continuing to stay safe and happy with your families. We are missing you all and we thank you so much for engaging with school as generously as you are. We hope you enjoyed the receiving the letters from the staff this week. To help with home learning we will continue to provide a theme for the week (see below) with a list of suggested activities for you to **choose** from which incorporate many areas of the wider curriculum. It may well be that you have different ideas instead which will be greatly welcomed.

Please choose activities that most engage your child/ children and yourselves! Should you wish to share any of your activities you are more than welcome to take a photograph and send it to our Twitter account. **@StAnnesCP** Just a reminder that we do not expect any families to print off worksheets/ resources. Work with what you have at home and most importantly stay safe.

RE- Wednesday Word (available in RE tab in home learning)

Enjoy a quiet moment reading the Gospel and praying to God.

Praying Together At 9am every morning we all join with our families in saying the Morning Offering:

*Oh my God I give to you,
All that I think and say and do.
All my work and happy play
I offer to you my God today.
Amen.*

By doing this, although we can't be together physically, we will be together as a school family in prayer.

Theme for the week... **Our World.**

Suggested activities... you choose or think of ideas of your own

-Design your own 'Tree of Hope'- The tree can be drawn, painted, or made out of objects found in your garden - the more creative the better! What do you hope for in our world? How can we protect it?

-Plastics: Create a poster encouraging others how we can reduce the use of plastic.
-If you have watched BGT recently you would have seen a group of children created a song to raise awareness for protecting our world. You could create your own song/ poem about our world!

-Why not do some planting at home. Help grow our world from your own garden!
-Create your own mini beast hotel! Why not create a safe habitat for God's creators in your garden. You just need to gather some branches and leaves. See what safe materials you can add in.

-Acres of rainforests are cut down every day so palm oil can be created. Palm oil is used in many different products we buy. This means that many endangered animals lose their homes. Write a persuasive letter to companies who have products using palm oil. Convince them to stop using it and protect the rainforests.

-Research national trees. Why do we have them? Can you find the national trees for England, Wales, Scotland and Ireland?

-Art and nature: Use recycled materials to create a design of your favourite animal.

-Energy saving: Reduce the amount of energy you are using at home. You could have an energy free evening. Play games with your family which do not include using energy. Take some pictures to show us that you are saving energy!

Standing Long Jump + Shuttle run = TOTAL SCORE

Submit your **TOTAL SCORE** via the link –
www.surveymonkey.co.uk/r/CSWVirtualAthletics

Entries must be submitted by 1pm on Friday 15th May

Participants – All participants will receive access to an e-certificate on completion of each challenge.

Individuals – At the end of each week the top 3 individuals from KS1, KS2, KS3 and KS4 will receive a **£5.00 AMAZON E-VOUCHER**.

Schools – The Infant/junior or Primary School and Secondary schools with the highest percentage of participants by the time the challenge ends will receive a **£75.00 PE equipment voucher**.

Challenge 1 - Standing Long Jump

Equipment - A tape measure to record your effort

Video support - https://youtu.be/5_J-EiTecHQ

PLEASE USE A FLAT / DRY SURFACE

The participant should start from a standing position in line with "0" on the tape measure and jump as far as possible landing on two feet.

The participant must start on two feet and land on two feet. You are not required to hold the landing but if you fall back or step back the jump should not be recorded – have another go!

Recording your score -

Measure in cm from the take-off line to the back of the closest heel on landing

SCHOOL GAMES

SCHOOL GAMES IS FOR EVERYONE – FOR ACTIVITY ADAPTATIONS PLEASE CONTACT – alik1@campion.warwickshire.sch.uk

Challenge 2 - 10 x 5m Shuttle Run

Equipment -

- Cones, pegs, tape, tins etc.. to create your running lane.
- A stop watch to record your score

Video support – https://youtu.be/5_J-EiTecHQ

PLEASE USE A FLAT / DRY SURFACE

Set up a distance of 5m marked at either end using cones or an alternative mark (pegs, tape, tins etc...) to create the running lane.

Each participant runs the 5m distance a total of 10 times to complete 50m. A handheld stopwatch or smart phone stopwatch can be used to record the time.

Recording your score -

Time how long it takes you to complete 10 shuttles (50m). This should be done as quickly as possible. To get your score for this event you will need to take your time away from 100. For example, if you ran the 10 shuttle in 23.23 seconds your score would be $100 - 23.23 = 76.77$
