

Year 3 Home Learning - Curriculum

Hello to all our families..... We hope you are staying safe and happy with your families. We are missing you all and we thank you so much for engaging with school as generously as you are.

To help with home learning we will now provide a theme for the week (see below) with a list of suggested activities for you to **choose** from which incorporate many areas of the wider curriculum. It may well be that you have different ideas instead which will be greatly welcomed.

Please choose activities that most engage your child/ children and yourselves! Do not choose something that is too difficult to resource or manage. Should you wish to share any of your activities/ outcomes you are more than welcome to take a photograph and send it to our Twitter account. **@StAnnesCP**

Be reassured that taking your child for a walk and taking time to take in the beauty of God's world is **very valuable** learning. This will not be recorded on a worksheet but will stay as a precious memory and promote a restful night's sleep!

Please be assured we do not expect any families to print off worksheets/ resources. Work with what you have at home and most importantly stay safe.

Summer Term WB: 27.04.20

RE

Praying Together

How lovely it would be if at 9am every morning we all join with our families in the Morning Offering:

Oh my God I give to you,

All that I think and say and do.

All my work and happy play

I offer to you my God today.

Amen.

By doing this, although we can't be together Physically, we will be together as a school family in prayer.

Seasons

These are suggested activities- please feel free to create your own to suit your own family.

Suggested activities

Go for a 'nature' walk looking at how the world has changed since Winter. Take a photograph of your favourite observations.

Make the most of the sunshine by 'inventing' outside activities/ races/ games etc. (You might chose to write a list of instructions to share your game on Twitter, so your friends can have a go! Miiss Smith would be the first to play!)

Make four seasonal drawings using chalk on your path/ drive.

Plant some seeds in a pot or in the garden - remember to look after it every day!

Create a factfile on each season.

Cook or bake something using seasonal produce.

Find out about seasons/ weathers in April across the world.

Design a holiday brochure for a seasonal holiday.

Find out about seasonal sports.

Learn the order of the months of the year and relate calendar months to the appropriate season.

Use a compass APP on a phone and track the movement of the sun across the sky (make sure you don't look directly at the sun though to protect your eyes)

Make a collage using natural materials such as seeds, blossom, leaves etc.

Make an observational drawing of a flower, or a tree etc using a pencil add shading techniques if you have learnt these at school

Write a poem about the weather, or the seasons or lockdown in the sun! Or make up a song or a rap - add some sound effects!

Create a summer picture and dedicate it to the NHS to go in your window.

Purple Mash

Work on purple mash will be set as a 2dol Try your best to complete activities on here linked to IT and other topics. Activities linked to seasons have also been set. Use your log in to get on and have a go!

Music: <https://solihullmusicservice.com/keys-stage-2-resources/>

Please follow our Twitter page and if you would like to share work with us, please include our twitter link **@StAnnesCP** in your tweet.

If you have any queries about learning and log ins then please contact your year group email:

s83year3@st-annes.solihull.sch.uk

You can also share your children's work and activities ie a photo of baking a cake via this year group email.

If you have any other queries then please continue to use parent mail - **parentmail@st-annes.solihull.sch.uk**

Story time

The staff at St. Anne's have read some lovely stories for you that you can find in the home learning section (Year 3-storytime) on the website! Also, you might like to dive into stories of your own at home with family! We look forward to hearing about all of your adventures when you return!

PSHE: Why not have your own circle time at home? Begin with putting some relaxing music on, dim the lights and have some calm me time!

Maybe share what you're grateful for or maybe a worry with your family? You could draw a flower and on each petal write one way you have grown since being at home. For example: I have had time to read more or I have had more time to share my favourite things with my family!
