Greek-Style Salad Recipe

Greek-style salad is a delicious and healthy salad from Greece. It is perfect for eating on a summer's day. It has some strong ingredients, such as olives, that not everybody enjoys. It is made with a salty cheese made from sheep's milk, called feta.

Ingredients

- fresh cucumber 
- fresh tomatoes 
- red onion 
- feta cheese 
- olives (optional)

Equipment

Steps

1. To begin, wash your hands thoroughly.

3. After that, chop the feta cheese into chunks and place them on top of the salad.

4. Next, chop the olives in half if you are using them, removing the stones if they have any. Add the olives to the salad.

Activity 1 – Reading Comprehension – Mexican Bean Burger Recipe

Mexican Bean Burger Recipe

Mexican cooking dates back to the Maya people who first lived in Mexico around 9,000 years ago. They ate some of the food we eat today but things have changed over time. Other foods have been added throughout the centuries, such as garlic and cheese, to create what we know as Mexican food today.

Bean Burgers are a typical Mexican dish. They are healthy and don't have as much fat in them as burgers which are made from meat. They are packed with goodness and mouth-wateringly yummy!

Here's what you'll need:

Ingredients

Bean Burger:

2 400g cans of kidney beans (rinsed and drained)

100g of breadcrumbs

2 tsp of **mild** chilli powder

Coriander (chopped leaves)

1 egg

200g of fresh salsa

150ml of low-fat natural yoghurt

Juice of half a lime

Optional: salt and pepper

Served with:

Six wholemeal burger buns

Your choice of salad, such as lettuce and tomato

Equipment

2 large bowls

A potato masher

A fork

A baking tray

A grill (to be used with help from an adult)

Imagine a Setting

This is a scene from 'Alice in Wonderland'.
The surroundings seem so big, making Alice appear even smaller.

Imagine you were trapped in a wonderland of your own.
Could you describe your journey or write a short paragraph about it?

Think about: What dangers would you have to be careful of as a tiny person? What can you see, hear, smell, taste and touch?

Superheroes and Comic Books

Comics have lots of pictures. The pictures are drawn inside panels and tell a story. Story text or speech bubbles also help the reader to follow what is happening.

The first superheroes included characters such as Superman, Batman, Captain America and Wonder Woman. Spider-Man, the Fantastic Four, the Hulk, X-Men and Iron Man came later. You can still read about some of these characters today.
