

ST. ANNE'S CATHOLIC PRIMARY

Reception

Week Beginning: 22nd June 2020

Please find some suggested fun learning activities to do with your family this week. We appreciate and are fully aware that families can only do their best with the technology and resources they have available. 🐦 Please follow our Twitter page and if you would like to share work with us, please include our twitter link @StAnnesCP in your tweet. The main way to share your child's work and activities is through the year group email: s83reception@st-annes.solihull.sch.uk If you have any queries about other matters, please continue to use Parent Mail: parentmail@st-annes.solihull.sch.uk

Religious Education

RE-Wednesday Word (available on school website: parents/home learning / Catholic Life including Wednesday Word) Enjoy a quiet moment reading the Gospel and praying to God.

Re - Unit of Work - People Who Help Us

Listen to the story - "The Feeding of the Five Thousand" - <https://www.youtube.com/watch?v=EYmJzAo9KbY> talk about how Jesus helped everybody in the story. Talk about how we should try to help others like Jesus would want us to. Draw a picture of ways you can help others in the community. Write a sentence e.g I will help my teachers by

Communication & Language

Speaking and listening underpins all of these activities. Make time to talk, have conversations and ask questions about daily life, activities, stories, games and movies etc.

Hello to all our families.

Thank you for all of your wonderful and continued support with home learning. Our theme for this week is 'Our Local Area' and will give the children the opportunity to learn something new about their special place in the world.

Daily Prayer

Praying Together

It would be lovely if at 9am every morning we all join with our families in saying the Morning Offering:

Oh my God I give to you,

All that I think and say and do.

All my work and happy play

I offer to you my God today.

Amen.

By doing this, although we can't be together Physically, we will be together as a school family in prayer.

Physical Development

Well done to everyone who joined in with the PE challenges last week. Please see information on the last page for this week's activities. This week we are taking part in the National Schools Sports Week.

Joe Wicks:

<https://www.youtube.com/channel/UCAXW1XT0iEJoTYIRfn6rYQ>

Go Noodle - <https://www.gonoodle.com/good-energy-at-home-kids-games-and-videos/>

Choose a super movers dance - <https://www.bbc.co.uk/teach/supermovers>

Personal Social & Emotional

Listen to song: <https://www.youtube.com/watch?v=3crdfjFfxjI> talk about your home and where you live? Ask your child to talk about their home, their favourite parts of their home and what they like about their local area.

Jigsaw - <https://families.jigsawpshe.com/stuck-at-home-2/> Listen to story 'The Switch Watch' which explores family life and how our homes and life can sometimes become hectic. Link includes discussions and activities.

Listen to and join in with emotions song 'Just Sing!' from 'Out of the Ark' on website:

https://www.youtube.com/watch?time_continue=4&v=ut5_ZaEAS3s&feature=emb_logo

Literacy

See Literacy ideas on Website - Week 9.

Watch your teachers telling stories on youtube following this link
https://www.youtube.com/playlist?list=PLBI_XHJy9tKLvDrx3PeewpHhrIMaR7q06

Write about your local area - create a fact file about Chelmsley Wood.

Design a new park - draw a large scale picture of what you would like in a new park - label the different things you would find in your dream park - slide, swing etc.

My address: Support your child to memorise your address including the postcode. Do they know the name of their street? Can they create a street sign with their street name?

Create a property information sheet - write about your home and what features it has.

Purplemash

Make sure you check your **2Dos on Purple Mash** - these will support your work in **Maths and English**, as well as this week's themed topic of **Our Local Area**

Maths

Look for numbers in your local environment - take photographs of all of the different numbers you can find - bus numbers, door numbers, cars etc.

Complete some addition and subtraction problems using a house template e.g. draw 6 people in the house, 4 people come to visit, how many is this altogether. Subtraction - there are 6 people in the house, 2 people leave, how many are left? You may wish to record this on paper or draw on a whiteboard.

More and fewer - draw 2 buses - add people on to the buses (faces draw on paper), which bus has the most, which has the fewest?

Create a tally chart for the things you see on your daily walk. Which had the most/fewest?

Understanding the World

My street: Think about your street. What type of houses are on your street? What type of house do you live in? What other buildings are close by? How old are some of those buildings? How have they changed over time? Look on Google Earth. Draw their own map of their local area.

Google Maps: Find your house on google maps. Explore using google maps to look at your house from above and on street view. Use the arrows to move up and down the road and around your area. Can you find key places e.g. the corner shop, school, grandparents' houses. Search for a house in a different part of the world and discuss how it is similar or different to your own. Can you find Solihull, Marston Green, Kingshurst, Birmingham?

Talk about Chelmsley Wood - what places do we visit? What do we see on our journey to school? Talk to an elderly relative about their memories of Chelmsley Wood when they were younger. How has it changed? What is the same/different?

Take photographs of your local area during your daily walk- draw a picture of your favourite place/landmark.

Expressive Art and Design

Get creative: Photograph the meadow that is growing by the Asda traffic lights. Can you recreate the beauty by painting, collage or drawing? (see photo below)

Discuss a special place in your local area - park, Asda, school. Lake etc - can you recreate this place by using lego/ painting a picture, making a junk model etc.

Role play different jobs from our local community - teacher, lollipop lady, shopkeeper etc.

Draw a picture of the your house and the people that live there. You may wish to draw your house and cut and stick objects from catalogues that belong in the different rooms.

Dear Parent,

How do you fancy challenging friends, family or neighbours to some fun, virtual sporting activities this summer?

At national children's charity, the Youth Sport Trust, we are determined to ensure that young people stay active and connected through this difficult time. We've been helping families do this with our daily #StayHomeStayActive activities since March and now we're challenging the public to go one step further by joining us in our first ever National School Sport Week at Home, supercharged by Sky Sports.

Taking place from 20-26 June, the week will give families, communities, schools and sports clubs the opportunity to take part in a series of virtual sporting challenges which help young people capture the enjoyment, competition and camaraderie they may be missing out on and the Youth Sport Trust is delighted that Sky Sports will be helping to supercharge the campaign.

How do I find out more?

Registering couldn't be simpler. Just go to our website www.youthsporttrust.org/nssw and click on the link for parents. You will be asked a couple of questions as you register about who you might challenge and how many people you would like to get involved.

After signing up we will provide you with free and easy-to-use resources to help plan your week of National School Sport Week at Home Activity, set challenges for your families, friends and neighbours, and shout about it online.

So, what are you waiting for? Join the growing number of people who will be running, jumping and throwing their way to glory from 20-26 June.

Consider the five ways to wellbeing throughout your chosen activity:

Take part in individual skills challenges / events. Can you go faster, higher, stronger?

Encourage each other to improve your Personal Bests (PBs)

Show your acts of kindness through support for each other

Make a note of the progress and improvement you each make

Learn new skills and see self-improvement through preparation and practice

Choose

Challenge

Capture

Choose your event, these are just a few ideas:

- **Quick Start** - How fast can you react from different starting positions to sprint a set distance?
- **Right Way Wrong Way** - in 60 seconds, can you challenge someone to turn everything the right way, as you turn everything the wrong way? You could play this in teams, or as a relay.
- **Wacky races** - can you create your own Wacky race? Add obstacles, find different ways to move and compete against the clock? Challenge someone in your home, or virtually to take part too.
- **Running cards** - race against the clock and an opponent to reveal the Ace to the King in a suit of cards. How quickly can you complete the challenge? Can you improve your time?
- **Nutty squirrels** - as a team or individually, how many items can you collect before they are all gone?

Challenge yourself, your family, your friends:

- How far could you run with all your quick start attempts
- How many people could you challenge to do speed bounce at the same time?
- Can you support each other to improve your personal best?

Capture it, create memories and celebrate. Why not...

- Create and stage your own 'old school' sports day using multiple activities
- Have fun with it - you could wear fancy-dress
- Have a parents'/guardians' race
- Create a journal or scrapbook about your week to capture these memories.

Take photos, videos and make memories. We would love to see them. [#NSSWtogether](#)

Sky Sports Scholar

Samantha Kinghorn, wheelchair racing

"Sport is amazing!

Give everything your best, try new things and never give up."

Consider the five ways to wellbeing throughout your chosen activity:

Practise target and rally games. How many can you do? Can you improve your personal best?

Work together to achieve a shared goal or score

Know yourself and how you can make a difference to help others

Take notice of the target and goal you are working towards

Develop your hand-eye coordination and aiming, as well as patience and control

Choose

Challenge

Capture

Choose your event, these are just a few ideas:

- **Frisbee golf** - get creative with setting up a course around your house, either indoors or out. Decide how many shots to allow per hole and have fun.
- **Target games** - there are lots of ideas here for you to try. So why not try them all? Decide which is your favourite, then attempt to beat your personal best.
- **King of the cones** - can you be the king or queen of the cones? Hit your opponent's cone, collect it and add it to yours. Can you hit them all to win?
- **In the box** - how far away from the box can you get and still land your ball on target? Challenge yourself to improve your personal best.
- **Tap up tennis** - how many times can you tap up a tennis ball in 60 seconds? How many times can you rally with a partner to keep the ball up in 60 seconds?

Challenge yourself, your family, your friends:

- What is the highest score you can achieve together in a set time?
- How many can you do or how far can you go without stopping?
- Can you work together to improve your score over three attempts?

Capture it, create memories and celebrate. Why not...

- Take part dressed up like a famous sports person from your chosen activity
- Add a theme and pretend to be Robin Hood
- Send your video to friends and family challenging them to beat your score
- Create a journal or scrapbook about your week to capture these memories.

Take photos, videos and make memories. We would love to see them. [#NSSWtogether](#)

Sky Sports Scholar

Emily Appleton, tennis

"When I was at school I absolutely loved competition, and taking part in PE lessons was my favourite time of the week so I cannot imagine the thought of not being allowed to do this over the period of lockdown. As a result I am sure you are all itching to get back out there and be active which is why National School Sport Week at Home is the perfect opportunity to do so!"

Consider the five ways to wellbeing throughout your chosen activity:

Take part in team challenges

Work together as part of a team

Recreate that sense of belonging. What does it feel like to be part of a team?

Take notice of what it feels like to achieve as a team

Develop your passing, kicking and coordination skills. Don't forget the importance of teamwork

Choose

Challenge

Capture

Choose your event, these are just a few ideas:

- **Super session** - there are lots of ideas here for you to try. So why not try them all? Decide which is your favourite, work together and aim to beat your personal best.
- **Fast feet** - how many times can you dribble a ball around a marker and back in 60 seconds? Does this improve when you are part of a team? Try using different types of ball!
- **Wastepaper Basketball** - how far can you shoot a basket from into a bin? Challenge someone to beat your distance and find new ways to throw it in!
- **Keepy uppy challenge** - an oldie but a goodie! How many can you do in a pair, as a team? Try using different types of balls or objects.
- **Cool catcher** - how many throws and catches can you do with a partner in 60 seconds? Could you make it more challenging? E.g. turn around after each throw.
- **Sock wars** - a bit like tag rugby, can you protect your socks from capture by your opponents?

Challenge yourself, your family, your friends:

- How many can you do without stopping?
- Can you work together to improve over three attempts?
- Can you adapt the challenge to make it more creative or encourage more family members to be involved?

Capture it, create memories and celebrate. Why not...

- Create a team celebration to complete after the challenge? Film it and share it.
- Take a 'professional' team photo to include everyone who took part in your activity.
- Create a team identity and dress the same to play.
- Create a journal or scrapbook about your week to capture these memories.

Take photos, videos and make memories. We would love to see them. [#NSSWtogether](#)

Sky Sports Scholar

Imani Lansiquot, athletics

"In these unprecedented times, it's even more integral children are keeping fit not only for physical benefit but also for mental benefit."

Consider the five ways to wellbeing throughout your chosen activity:

Find new trails to explore and set yourself a personal challenge to beat

Get ready for an adventure. Use your chosen event to explore what is around you. Try something new together

Share your experiences with others. Involve your family, friends and neighbours in your activities

Take notice of your environment. Use this as an opportunity to learn more about your surroundings

Challenge yourself to learn more about your limits and find creative ways to improve

Choose

Challenge

Capture

Choose your event, these are just a few ideas:

- **Race across the river** - using only two flat objects can you cross the river without touching the floor? Challenge yourself to find new ways to move, can you get faster?
- **Orienteering challenge** - create an orienteering treasure hunt in your own home or local surroundings. Can you make the challenge more difficult by hiding items that spell out a hidden word?
- **Swipe and swap** - how good are you at moving objects with different parts of your body? This is a great activity for core stability and balance. Can you challenge yourself to beat your personal best in three attempts?
- **Horizontal climbing** - don't worry you don't need to climb the side of your house for this one! Just use socks and gloves and remember to maintain three points of contact!
- **Go for a bike ride** - find a new route, challenge yourself to cycle further or faster in a time trial. Stay safe and take notice of your environment.

Challenge yourself, your family, your friends:

- Creativity is key, challenge yourself to set up exciting routes and give them a try.
- Time yourself from start to finish, then try to improve your time.
- Find new creative ways to move, test your limits to improve.

Capture it, create memories and celebrate. Why not...

- Go outdoors and find a new space to take part in your activity.
- Take pictures along your journey, can you find all the colours in the rainbow?
- Can you draw a map of the route you take on your journey?
- Create a journal or scrapbook about your week to capture these memories.

Take photos, videos and make memories. We would love to see them. [#NSSWtogether](#)

Sky Sports Scholar

Max Litchfield, swimming

"Sport is an absolutely incredible thing for so many reasons, but above all for living a happy and healthy lifestyle! As you have signed up to the National School Sport Week at Home you clearly agree with me and I would just like to say good luck with everything this week, learn, make friends (even if it is socially distanced friends) but most of all, have fun!"

Consider the five ways to wellbeing throughout your chosen activity:

Get creative and come up with fun new activities to try!

Create activities to perform together

Take part in your activities for pure entertainment. Have fun and put a smile on everyone's face

Take notice of your own and others' creativity. Be proud and have fun trying something new

Learn to choreograph and use your imagination. Challenge yourself to be creative

Choose

Challenge

Capture

Choose your event, these are just a few ideas:

- **Partner dance** - find a partner and have fun. Either copy this dance or get creative and choreograph your own.
- **Disney Dance Along** - looking for inspiration, then check out these Disney themed dances. Find a partner, pick your favourite Disney Dance, practise and perform.
- **Cosmic Kids Yoga** - relax and practise your poses with some Yoga. Can you get your whole family involved? Could you then create your own Yoga flow?
- **KIDZBOP** - choose your favourite song, gather your backing dancers, watch the video and recreate the dance. Could you use this as inspiration to create your own dance?
- **Upside down challenge** - can you balance something on your body as you turn upside down? Head stands, handstands, balances - get creative.
- **Become a super mover!** - there are lots of ideas here for you to try. Dance with Alex Scott, Max and Harvey or The Vamps! Get the whole family involved in the dance mat fun. Follow the moves and feel the groove!

Challenge yourself, your family, your friends:

- Can you support each other to try new activities?
- Pick your favourite song and choreograph a new routine.
- Showcase your performances and hold up scores like you are on Strictly Come Dancing! Don't forget to share top tips to help someone improve.

Capture it, create memories and celebrate. Why not...

- Put on a performance, film it and share it with family and friends.
- Have a dance off! Who has the best moves? Would you put this on TikTok?
- Create a poster to showcase your performance.
- Create a journal or scrapbook about your week to capture these memories.

Take photos, videos and make memories. We would love to see them. [#NSSWtogether](#)

Sky Sports Scholar

Joe Fraser, gymnastics

"With it being National School Sport Week at Home, I think it's a great opportunity for us all to get active and involved! Giving us all the opportunity to try some new sports and experiences. Enjoy yourself, get involved and have fun"
