

ST. ANNE'S CATHOLIC PRIMARY

Reception

Week Beginning: 13th July 2020

Please find some suggested fun learning activities to do with your family this week. We appreciate and are fully aware that families can only do their best with the technology and resources they have available.  Please follow our Twitter page and if you would like to share work with us, please include our twitter link @StAnnesCP in your tweet. The main way to share your child's work and activities is through the year group email: s83reception@st-annes.solihull.sch.uk
If you have any queries about other matters, please continue to use Parent Mail: parentmail@st-annes.solihull.sch.uk

Thank you for all of your wonderful and continued support with home learning. The theme for this week is:

Transition

Our Year Group Message

You are a very special child
And we want you to know
Although our year was cut short
We are so proud of how you did grow.

We've loved being your teachers
And we have missed your smiling face
But the memories we have of this year
Will never be erased.

Please come back to visit me
As through the St. Anne's years you go
Try hard to learn all that you can
There is so much to know!

What we've tried to teach you
To last your whole life through
Is to know that you are special
Just because you are YOU!

Love Miss Holyland, Mrs Lewis, Mrs Hunter,
Mrs Ratheram, Miss Sherlock xxx

Physical Development

Personal Best celebration week!

During the week, we would like you to revisit the five Virtual School Games challenges, inviting pupils to have a go at the ten challenges and setting a personal best!

Please see challenges and resources on page 4 for video links with a full tutorial of each challenge.

We do not require you to submit any results, this is for you to enjoy and challenge yourself!

We would love for you to share photos of you taking part via the year group email or on Twitter ☺

Personal Social & Emotional

Journey stick - on a daily walk or outing ask your child to collect objects or draw pictures of things that interest them, Attach these in order using tape, string, cling film. Your child may wish to add words or symbols to their stick.

Make a memory poster and draw and Label your top three Memories of the year.

Go on a gratefulness scavenger hunt and find:

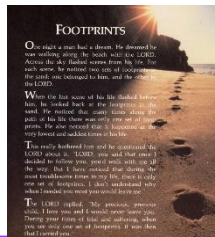

1. Something that makes you happy
2. Something to give to someone else that will make them smile.
3. Something you love the smell of
4. Something that's your favourite colour
5. Something that is pretty to look at.

Religious Education

RE-Wednesday Word (available on school website: parents/home learning / Catholic Life including Wednesday Word) Enjoy a quiet moment reading the Gospel and praying to God.

RE - Unit of Work - Prayer - Ask your child about praying - can you tell when people are praying? What have they noticed people do? Recall actions, words and songs of prayers they know (Morning offering, Grace Before Meals, Grace After Meals and Hometime Prayer). Set up a little prayer area at home and encourage your child to use their own words for prayer. Your child may wish to say an Asking prayer, thank you prayer or a sorry prayer.

Light a candle at home with your family. Take a moment to listen to some reflective, calming music. Think back to a time when you were sad, scared, lonely or afraid. Close your eyes or look at the candle flame. Think about who you go to when you have a worry? Who listens to you and supports you? Watch the video "Footprints". <http://www.youtube.com/watch?v=Qw4qDeWTvg> God is always with us in our time of need and we can always turn to Him in times of worry, change, growth, sadness as well as all of our happy times. God loves us more than we could ever imagine.

Literacy

Talk about how your child will be seeing their special friends again soon. Ask your child to create a poster that illustrates top tips for making friends and showing kindness?

Make a picture or collage of all the things you have been doing during Lockdown – you may wish to draw pictures/ use photos etc.

Create an All About Me poster for your new teacher – see examples on Literacy planner.

Create an 'I can' display all about themselves. Ask your child to think of one goal they are going to try hard at next year to achieve. Complete 'I can't ___ yet!' and draw picture.

Purplemash

Make sure you check your **2Dos on Purple Mash** – these will support your work in **Maths and English**, as well as this week's themed topic of **Transition**

Maths

Create a hoop addition frame using hoops/chalks. Give your child addition sentence cards and ask them to add objects/toys to the hoops to solve the addition problem.

Play caterpillar game – create a caterpillar numbered 1-6. Roll a dice and cover the number on the caterpillars body with a counter. Create a second caterpillar with numbers 1-12 and roll two dice. Add the numbers together and cover the answer on the caterpillars body.

Explore addition and subtraction games on the Following weblink:

<https://www.topmarks.co.uk/maths-games/5-7-years/addition-and-subtraction>

<https://garyhall.org.uk/gordons/swf/Bingo-addition.swf> Gordons addition game.

<https://garyhall.org.uk/gordons/swf/Paying-for-ice-creams.swf> - Choose the correct coins to pay for icecreams.

Understanding the World

Create a school timeline – think about the different things your child has experienced during their time at school. Create a timeline – ask your child if they can remember their first day at nursery, their Christmas play, moving into reception etc. did anything special happen in their own lives during this time – birthday/ moved house/ new baby etc?

Ask your child to think about what makes them special. What makes them different to other people? Using an old shoe box, make a 'Special About Me' box. Your child could collect items from around the house that represent their personality such as a paintbrush, a storybook or a pair of dance shoes. Alternatively, your child could carefully cut out pictures from magazines or draw pictures to represent their individual qualities. Talk about the importance of being unique together.

Read or listen to the story 'Giraffes Can't Dance' [here](#). Talk about how Gerald the giraffe showed determination when trying to achieve his goals. Ask your child what they are looking forward to most about their new class, what they would like to get better at and what they would like to learn about. Then discuss all of the things that will help your child get ready for their new year group.

Expressive Art and Design

Talk about the things that your child has achieved and things that make them proud. Work together to design and create an achievement medal. Do this by cutting a piece of cardboard into a circle or star shape, painting it gold or sticking shiny paper to it. Write the number one on the medal and add string or ribbon. Why not have a ceremony and present the medal to your child?

Over the last year, your child will have created many memories that they will cherish forever. Capture these memories in a fun way by asking your child to create a 'Memory Jar'. Using coloured paper ask your child to draw or write down their favourite memories. They can use different colours to show different categories of memory e.g. blue for friendship, yellow for teachers, red for favourite lessons. Use a jam jar or a plastic bottle to collect their memories; they could even personalise their jar with decoration. Alternatively capture these memories in a fun way by asking your child to create a drawing or painting

Personal Best celebration week!
