RE Unit of Work- People Who Help Us

Talk about our special Church and Father Christopher. Discuss his role and what important jobs he does in Church, school and the community. Ask your child if they can remember any of the special artefacts they have seen in church. What are they called? What are they used for? Draw a picture and label some of the artefacts at Church.

Communication & Language

Speaking and listening underpins all of these activities. Make time to talk, have conversations and ask questions about daily life, activities, stories, games and movies etc.

Hello to all our families. We are missing you all and we thank you so much for engaging with school as generously as you are. We hope you enjoyed some of the VE Day activities last week. And, until 'we meet again' the theme for this week is...

Our World

Daily Prayer

Praying Together

It would be lovely if at 9am every morning we all join with our families in saying the Morning Offering:

***Oh my God I give to you,
All that I think and say and do.
All my work and happy play
I offer to you my God today.
Amen.***

By doing this, although we can't be together Physically, we will be together as a school family in prayer.
