CATHOLIC LIFE

School Virtue for this half term – Intentional & Prophetic
In our Liturgical Calendar we are currently in Advent (Purple)

The half term focus for Catholic Social Teaching is: Right and Responsibilities, The Dignity of Work

Prayer Reflections during the season of Advent

First Sunday of Advent

Hope (Isaiah 2:1-5; Romans 13:11-14; Matthew 24:36-44)

God of hope, we light this candle as we prepare for the coming of your Son. Awaken our hearts to you this Advent season, so that when Christ arrives, we are ready to receive him with all our hearts, all our minds, and all our strength. Amen. (Light one purple candle.)

Ahead of the second Sunday in Advent

Peace (Isaiah 11:1-10; Romans 15:4-13; Matthew 3:1-12)

God of peace, during this Advent season, keep us from getting caught up in the busyness and chaos of the world around us. Help us to slow down, so that we may find rest in the Prince of Peace, your son, Jesus Christ. As we prepare for his coming, make us instruments of your peace in our homes, in our schools, in our work and in our world. Amen. (Light two purple candles).

BUILDING THE KINGDOM

At St Anne's, we are striving to **Build the Kingdom of God!**
We are helping the children develop the skills we needed to be:

- Agents for a spirit-fuelled transformation of society.
- Moving our learning into action and our faith into action!

We are teaching the children that they are the leaders of tomorrow!

God is calling you to change the world one life at a time and one small step at a time. Begin today where you are.

DIOCESAN VIRTUES AT ST. ANNE'S – OUR HALF TERM VIRTUE: **INTENTIONAL & PROPHETIC**

INTENTIONAL & PROPHETIC

Pupils in our school are growing to be . . .

Curious about everything; and active in their engagement with the world, changing what they can for the better.

Our school helps our pupils to grow . . .

By leading pupils to be curious about the universe and all human activity, and to take increasing responsibility for their own learning, and by providing opportunities for them to be active in the life of the school, the Church, and the wider community.

The Christian Roots of the Pupil Profile.

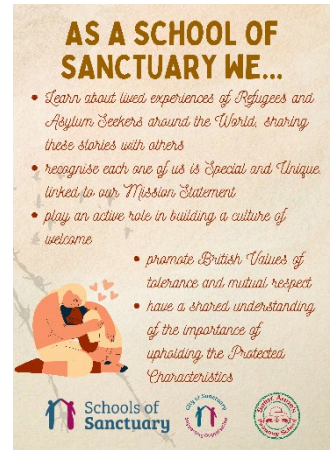

Curiosity is needed to sustain learning. It is what keeps us going. It is what opens up new horizons. It leads us to find God in all things. In the Christian tradition, learning is something to be actively engaged in by probing, seeking, asking, challenging, questioning until the truth is plain – it is to think for oneself and become a lifelong learner.

At Saint Anne's, we are passionate about the work we do as a School of Sanctuary, building the **Kingdom of God** by making our community inclusive and welcoming.

We are putting our faith into action as we are reaching out to the new Secretary of State for Education, Bridget Phillipson MP, to introduce the work of Schools of Sanctuary, the challenges we face, and the changes we would like to see.

We are asking her to encourage all schools around the country to take part in this important initiative.

The letter can be found on our website here: [Letter to Bridget Phillipson MP](#)

CATHOLIC SOCIAL TEACHING

Autumn Two Focus– Dignity of the human person

At St Anne's, children will be chosen each week to receive a certificate for portraying one of the Catholic Social Teaching principles. This is to celebrate children putting their faith into action and to encourage deeper thinking on why we do things (i.e. we look after God's world because we have been entrusted as Stewards). Congratulations to the children chosen this week during phase assembly!

Faith without action, isn't faith at all.

ATTENDANCE

Late marks and Absences

The doors open for children in Reception to Year 6 at **8.30am** and close at **8.40am**. Children who arrive after this time must go to the School Office where they will be given their late mark. Late marks are monitored and recorded. Children who arrive from 9.10am onwards are marked on the register as a 'U' for unauthorised absence, unless they are absent due to a medical appointment. Children arriving at the School Office prior to 9.10am will receive a late mark, 'L' on the register.

8.40am-9.10am = 'L', which means that your child receives a late mark. We are required to put a reason on the register for children who are late so office staff will always ask for a reason. If it is a personal/confidential reason please just say so; staff will make a note of this.

9.10am and beyond = 'U', which means the morning is recorded as an unauthorised absence.

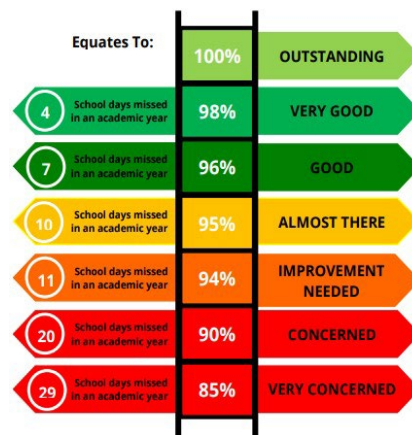

(Over one academic year)

Attendance and Holidays –

Children Absent: If your child is absent from school it is necessary that you contact school on the first day of your child’s absence. Contact 0121 779 8060 and choose option 1 before the start of the day. There is an answer phone facility for you to leave your child’s name, class and reason for absence. Alternatively, you can email school with your child’s reason of absence: parentmail@st-annes.solihull.sch.uk

Following previous correspondence, this reminds you again that all holidays are unauthorised and the Local Authority will fine parents regardless of when holidays are booked because the ruling has always been in place. This is a Local Authority decision; the School cannot over-ride their decision.

She was shortlisted to the final 6 in the category of Bravery from 100s of nominations. Klaudia comes to school every day with a beaming smile and tackles any challenges she faces with immense bravery. She lives out our St-Anne's values every day and we are all incredibly proud of her. Well done Klaudia!

PERSONAL DEVELOPMENT

VOTES FOR SCHOOLS

In last week's votes the children answered the following topic question:

- Should we learn more about coping with extreme weather? (7-11)
 - Should you know how to prepare for the weather? (5-7)

Advent

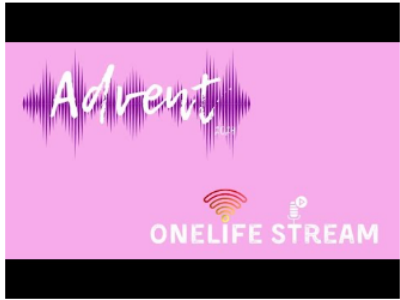

The Advent season has started and it is delightful to see the Liturgical colour purple. The first Sunday of Advent gives us the opportunity to centre our thoughts on hope. It is wonderful to see 'jars of hope' having a prominent place on class focal points to invite children to think about thing they are hopeful for as we journey into Advent. Over this Advent, we pray that **hope** would rise up in our spirits in a tangible and life-giving way.

Advent National Assembly livestream

KS1 and KS2 joined with Dan, Emily and schools across the country for a time of Advent preparation through music, sharing and joy.

The live stream encouraged children to think carefully about how you can put love into action this Advent. A particular focus was given to ways we can share hope, joy and peace with a special focus on those who are less fortunate - our global neighbours.

NURSERY

Religious Education - The ABC Nativity

The workshop was followed by the 'ABC Nativity' performance. All of the children were just delightful. They were superstars, putting so much effort, enthusiasm and joy into retelling the Nativity story through songs and actions. A big well done to all of the Nursery children. We look forward to our last group of families joining us on Monday.

Look At Me Now!

One of the highlights of the term so far has been inviting our families into the Nursery classroom to join us for the 'Look at Me Now!' workshop. The children were delighted to show their families how well they have settled into nursery and how confident they have become. Together we said the 'Walk With Me' prayer and they made their own Bambinellis and Nativity puppet show. They also made a variety of Christmas crafts.

Religious Education

We were excited to begin our Advent unit of work and loved learning the song “Awake, Awake” in preparation for the birthday of Jesus. We looked at the first candle on the Advent wreath and talked about all of the things that we were hopeful for. We also created our own Advent wreaths using dough and loose parts.

We have been busy learning the Nativity story, we enjoyed creating our own class story map to retell the events of the very first Christmas. We have enjoyed telling the story to our partners and learning some special songs to celebrate Jesus’ Birthday.

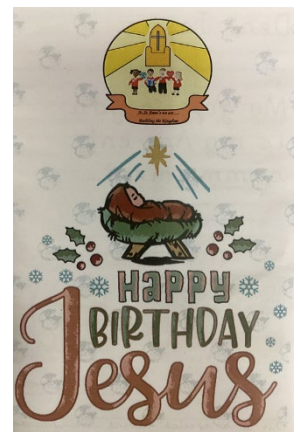

Understanding the World

We continued our learning about ourselves and the human body. We explored how we have grown and changed over the years. We looked at the different life stages – baby, toddler, child, teenager and adult.

YEAR 1

RE – Advent Commitments

In Year One, we have learnt that Advent is a time when we remember God’s promise of a Saviour on Earth and prepare for the arrival of Jesus. We know that God kept His promise because Jesus was born on Christmas Day. We want to make a promise to Jesus this Advent and keep it just like God did. We used our **Catholic Social Teachings** to inspire our choices and then wrote a birthday card to Jesus telling Him that our gift to Him this year is our Advent commitment. Some of our commitments included: “I will donate my old toys to charity which links to **‘Option for the Poor and Vulnerable’** because I want to help those in need like Jesus did.”, and “I will help my family and friends even when they don’t ask for it which links to **‘Family and Community’** because we are all brothers and sisters of God’s family.” Our Advent commitments are all little promises that will make big differences in our community. We want to build the kingdom that God created for us with love and kindness, to make the world a better place for us and those around us. Please scan the QR codes below to hear some of our wonderful Advent commitments...

History – Great Monarchs

In our History unit, we have been learning all about Great British Monarchs. Last week, we finished our learning on Queen Victoria and the impact she had on Britain. This week, we started to learn about Queen Elizabeth II and how she became queen. We looked at how her uncle's abdication made her father king and then put her next in line for the throne! We have been gaining so much knowledge about the history of Britain and the legacies our past monarchs have had!

YEAR 2

Religious Education - Advent

This week, we have commenced with our Advent celebrations in Year 2. We are opening our Advent calendars and counting down the days to Christmas. In RE, we have made special promises to Jesus of how we can be better Catholics during this special time to prepare for his coming again. We have also learnt about the Advent wreath and what its symbols mean.

Science - Materials

In Science, we have been discussing what the most suitable material would be for a toddler's dungarees. We discussed that the material needed to be hardwearing so that it would not tear or get holes in. We tested wool, felt, denim and cotton.

Advent Assembly

Awake Awake, it is the season of Advent! To prepare for the coming of Christ, we started our Advent unit of work by writing our Advent commitments, thinking about how can we commit to being a follower of Christ this Advent season? On Friday, we gathered together with our families to mark the first week of Advent with our special Advent assembly! We inspired everyone to go forth and spread hope, peace, joy and love during the special season of hopeful anticipation and exciting celebration!

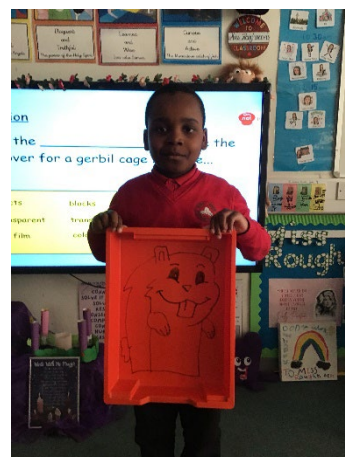

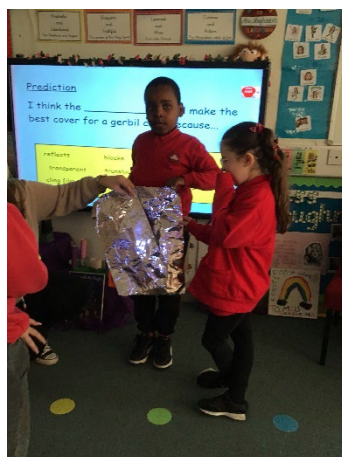

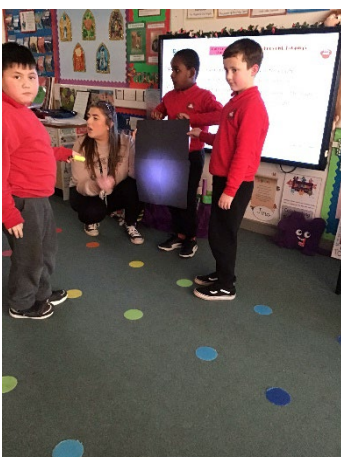

Joyeux Noël

Our Year 3 linguists have paired up with École Saint-Joseph, a school in France to spread some festive cheer! We created dual-lingual Christmas cards with our cheery, Christmas message written in French and English. We hope they arrive in time for Christmas!

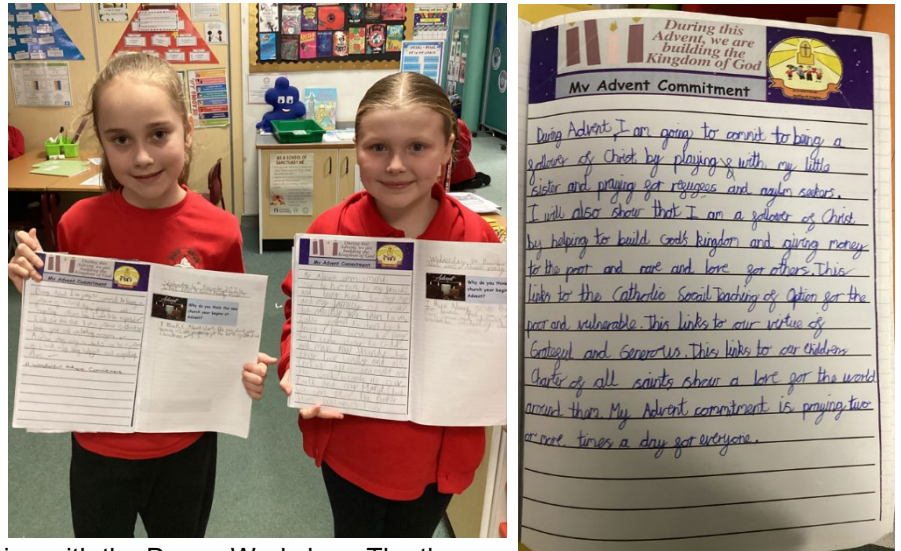

Science

Our phenomenal Year 3 physicists have worked tremendously hard this week as we approach the end of our unit of learning around light! We led a Scientific Enquiry to find out the best material to cover a gerbil's cage during the day. We ensured it was a fair test by using the same light source and making sure all of the cage was covered with the material so no extra light affected our results. Then it was time to show off our knowledge with our double page spreads, showcasing all of our key knowledge from our 'Can you see me?' topic. Well done physicists!

Advent – HOPE

Year 4 have been thinking all about the theme of 'Hope' – we have been discussing our hopes for 2024 and what we hope the world will look like in the future. The children have also been writing some beautiful Advent commitments reflecting on how they will prepare during this special time.

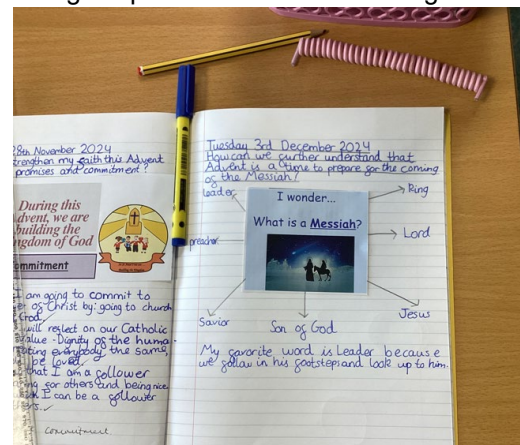

Hansel and Gretel Dance Workshop

The children had a fantastic morning engaging with the Dance Workshop. The theme was the story of Hansel and Gretel. All the children immersed themselves into the dancing wonderfully and all found their rhythm! The children were acting out as the forest and certain characters from the story and even had the opportunity to use the parachute to act out the wind and snowflakes. The children had a brilliant time and all came away smiling!

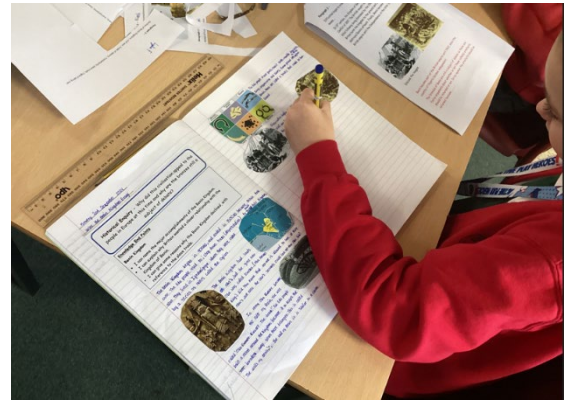

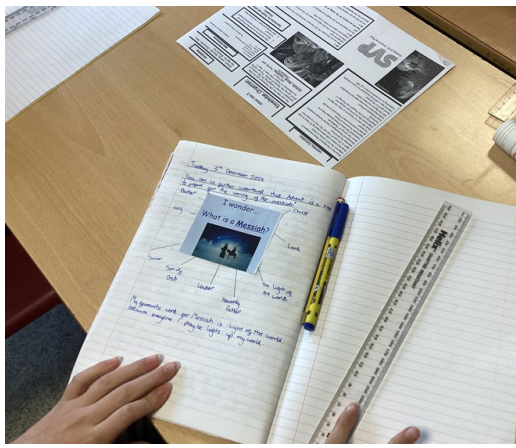

Religious Education

This week in RE, we have been thinking about how we can prepare for the coming of the Messiah. We talked about the different words we might have for Him. We looked at how the bible passages speak about Jesus' coming and what we can infer about Jesus as a person from the passages. The quotations taught us that Jesus is thought of in many different ways, all talk about Jesus as a powerful and special person. As we move forwards into Advent, we think about how we can prepare for the coming of the Messiah.

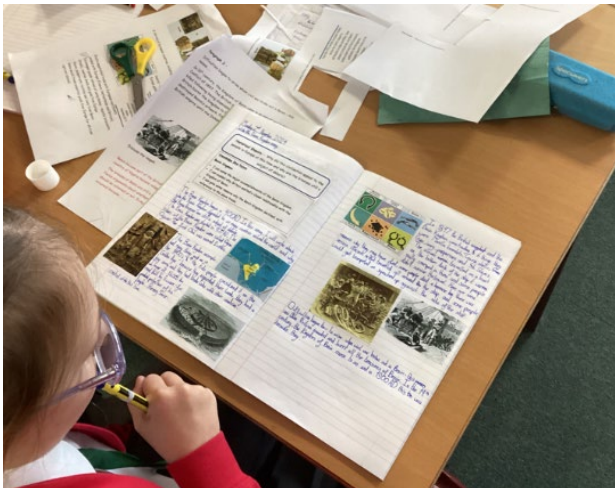

but

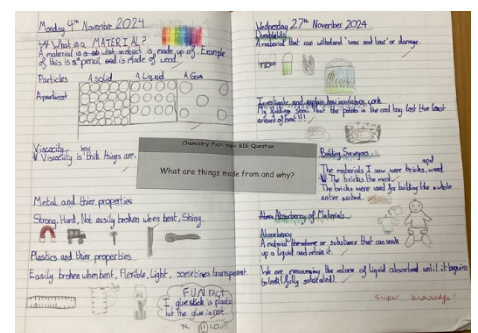

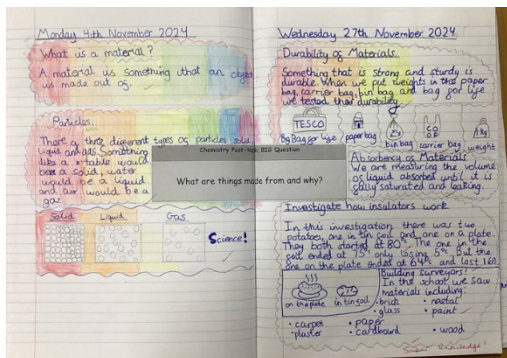

History

In History this week, we have been writing our essays. Our essay question is all about the Benin Kingdom, and why the Benin bronzes and treasures are still up for debate. In 1897, the Benin bronzes were looted by the British and are kept in the British Museum. As a class, we have been discussing the pros and cons of returning the bronzes to Benin and why it might matter to the people of Benin that they are returned. The children have been so enthusiastic about our History unit and have been so excited to get writing these essays so they can show off all of the knowledge they have about the Benin Kingdom. Miss Rees and Mr Tregonning can't wait to read them!

Science

As we come to the end of our Properties of Everyday Materials Unit in Science, we have been making our double page spreads. Our double page spreads compile all of our knowledge together from each lesson of our unit and we can really show what we have learnt!

YEAR 6

Religious Education

On Tuesday afternoon, Year 6 had the opportunity to listen to the words of Deacon Stewart linked to the season of Advent.

Deacon Stewart answered the Questions:

*Which Sacraments can we receive to bring us peace during this special season?
How can we share Christ's peace with others during Advent?*

Through his words, Deacon Stewart emphasised how we receive God's grace through the sacraments and explained that through the sacraments of reconciliation and Confirmation, we find peace and we can then live out that peace with others through our words and actions.

Year 6 Enterprise

In preparation for their enterprise initiative, Year 6 have been busy creating beautiful seasonal calendars. They are really beautiful! The children will then sell the items before the year group Christmas performances, raising money for out chosen charities and also money for new books in school too!

PE

During their netball lesson this week, the Year 6 children worked in pairs and in small groups to practise a variety of netball passes. Their skills and techniques were super!

We also started the '12 days of FITMAS' making the countdown to Christmas fun and active!
